Earnings shall be payable on the Distribution Dates above set forth, provided the balance in the account is not reduced below Minimum Balance requirement.

RENEWAL SECTION.

I. All accounts shall automatically renew at the close of business on the initial maturity date or the maturity date of any renewal term unless (1) it is withdrawn during the grace period or (2) the bank gives written notice to the Accountholder, at least 15 days prior to the maturity date, that the account will not be renewed. In such latter event, upon maturity the account will be converted to a regular savings account and receive earnings at the rate then paid on regular savings accounts. II. All negotiable rate certificates shall not renew. Upon maturity the account will cease to earn interest.

PENALTY CLAUSE SECTION.

I. Except as otherwise provided herein, in the event of any withdrawal of principal from this account prior to maturity date, the accountholder shall forfeit an amount equal to the greater of (1) all earnings paid, credited or accrued from the most recent of the Date of Issuance or the Maturity Date, or (2) all earnings that could have been earned on the amount withdrawn during a period equal to half the term days if the term is less than or equal to 31 days. When the term is 32 days through 90 days no earnings will be paid on the amount withdrawn. When the term is 91 days through one year the accountholder shall forfeit an amount equal to three months (90 days) interest or earnings, whether earned or not, on the amount withdrawn at the nominal rate being paid on the account. In the event of a withdrawal when the term is for more than one year, the accountholder shall forfeit an amount equal to six months (180 days) interest or earnings, whether earned or not, on the amount withdrawn at the nominal (simple interest) rate being paid on the account.

II. Except as otherwise provided herein, in the event of any withdrawal of principal from this account prior to a maturity date, the accountholder shall forfeit an amount equal to one month (one-twelfth of the interest to be earned at the nominal rate of the account for one year) of interest earnings for each three months of certificate term, whether earned or not, on the principal amount withdrawn. If the term is less than five years the maximum penalty will be six months nominal interest, whether earned or not. If the term is more than five years the maximum penalty will be one year of nominal interest, whether earned or not.

The penalty prescribed herein will not be imposed for a withdrawal of principal following the death or adjudication of incompetence of any Accountholder. Any premature withdrawal which reduces the account balance below Minimum Balance requirement shall be considered as a withdrawal of the entire account balance and shall be subject to the penalty prescribed herein. Earnings credited to this account may be withdrawn without penalty at any time during the term in which earned, and at any time during immediately succeeding terms in which the earnings rate remains identical. Dear Valued Customer:

I have some excellent news for you about a very special offer from Security Pacific Savings Bank.

Until June 30, 1989, we will waive the early withdrawal penalty when you reinvest the total proceeds of your 1 to 2 Year CD's maturing before August 31, 1989.

This means by acting now, you can earn up to 1.00% or more above what you are currently earning on your CD. You can also add funds to your reinvested proceeds to take further advantage of current high interest rates.

I have enclosed a Reinvestment Request Form and return-envelope for your convenience. Use it to reinvest your funds easily by mail. Or visit any personal banker.

For information on current rates, or if you have any questions, just call your branch. Thank you for your continued business.

With best regards,

M. Harrington

Michael Harrington
Regional Vice President

P.S. Interest rates are high now and are subject to change at any time. This is a rare opportunity to lock in higher rates NOW without an early withdrawal penalty -- but you have to act before June 30, 1989. There will be a substantial interest penalty for early withdrawal from the new CD.

If, during the term of the above referenced Key Investment Certificate Account, the interest rate and the annual percentage yield offered by Key Bank of Washington on certificates of the same term and same deposit amount is increased, depositors may exercise this one-time rate increase option to increase the annual interest rate and the annual percentage yield on this Certificate to the higher rate for the remainder of the Certificate's terms up through the first renewal date. Upon presentation of this signed coupon, this rate increase will take place on the business day following the next interest payment. Because of the one-time interest rate increase option, your Certificate is a Variable Rate Account. In setting the Certificate rate, the bank employs no specific formula but takes into consideration a number of current money market and business factors. There is no limitation on the amount of any rate change.

CHANGE OF ADDRESS

If your name, address, or phone number is changed, please call or visit your branch, or write to the address listed on the front of this statement. This will keep your records accurate and you will receive your statement in a timely manner.

SPECIAL NOTATIONS ON YOUR STATEMENT

1. *A minus sign* (—) to the right of an Ending Balance figure means that the account was overdrawn that day.
2. *An asterisk* (*) in the LISTING BY CHECK NUMBER, means there is a break in the numerical sequence of checks posted on this statement.
3. Key Investment Certificate Account and IRA statements include the Annual Interest Rate for each account. If the rate is variable, the word "Variable" and a number in parentheses appear after the word "Rate." The number, called the *Variable Rate Code* also appears in a table at the end of the statement where the rate(s) paid during the statement period are shown.

IN CASE OF ERRORS OR QUESTIONS ABOUT ELECTRONIC TRANSFERS

Telephone or *write* us at the phone number or address listed on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain, as clearly as you can, why you believe there is an error or why you need more information.
- Tell us *the dollar amount* of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

IMPORTANT INFORMATION FOR CUSTOMERS WITH CASH RESERVE CREDIT

The Finance Charge Balance is the average daily balance of loans, which we figure by totaling the unpaid principal balance for each day of the Billing Cycle, after deducting payments and credits as received and posted, and dividing such total by the number of days in the Billing Cycle. The amount of FINANCE CHARGE IS COMPUTED AS FOLLOWS: FINANCE CHARGE = (Finance Charge Balance) X (number of days in Billing Cycle) X (periodic rate). The factors for computing the finance charge are provided in the Summary portion of your Cash Reserve Credit Statement.

Credit balances will be automatically transferred to your Deposit Account the day they occur.

BILLING RIGHTS SUMMARY - In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at the address shown on the front of this statement as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
PLEASE REFER TO THE FRONT OF YOUR CASH RESERVE CREDIT STATEMENT FOR THE ADDRESS AND TELEPHONE NUMBER TO WHICH INQUIRIES ON YOUR ACCOUNT MAY BE DIRECTED AND FOR DETAILS ABOUT THE CREDITING OF PAYMENTS.
